Torment: Tides of Numenara shows off combat in this new trailer

Jan 19 · 2 min read · Kevin McClusky

12

If there's one role-playing game I regret never having played, it's got to be Planescape: Torment. This PC RPG has gained a huge cult following over the years, and it's pretty easy to find people willing to sing its praises. From what ... [read](#)

Yooka-Laylee has...multiplayer?

Jan 19 · Cory Arnold

31

Wait, Yooka-Laylee has multiplayer? Rextro the raptor has an arcade for you and three of your friends to visit and play together both co-operatively and competitively. If you don't have any friends that's OK, Rextro will be your friend as ... [read](#)

Alone in the Dark creator's new horror title 2Dark is nerve-wracking

Jan 19 · Jordan Devore

24

It's about time we had a refresher on 2Dark, that survival horror game from Alone in the Dark and Little Big Adventure creator Frédérick Raynal and his Lyon, France-based studio Gloomywood. This animated story sequence speaks... [read](#)
